GENERAL INFORMATION

All numbers referenced in this telephone directory have the prefix of 445 unless otherwise noted.

DIRECTORY CHANGES

Central State Hospital employees will publish this directory at regular intervals for use.

DIRECTORY ASSISTANCE

For Central State Hospital telephone numbers that are not listed in this directory, please call 4575 for client information and call 4094 for employee information.

HOW TO REQUEST REPAIR SERVICE

Telephone problems encountered during normal working hours (8 a.m. until 5 p.m.) should be reported to #6236 (telecommunications Coordinator). Problems that occur after normal business hours should be reported to #1930 (State Repair Operator). For complete operational instruction, please use the guidebook provided with your telephone and/or consult the State of Georgia Telephone Directory.

POLICY ON TELEPHONE USAGE

In accordance with DHR Human Resources/Personnel Policy #1201, Standards of Conduct and Ethics in Government (p. 13), not the following regarding the use of state telephones:

“Employees are prohibited from making or charging long-distance telephone calls to the Department, unless work-related. Local telephone calls of infrequent, short duration may be permitted. This privilege may, however, be withdrawn if abused.”

Violators are subject to prosecution and imprisonment pursuant to the provisions of O.C.G.A.

16-8-5.
